

Cyanobacteria Identification Workshop

Wednesday, September 26, 2018, 2:30-5:30

Portland State University, Science and Research Teaching Center, Room 149, Cost: \$20

Instructor: Robin Matthews, Institute for Watershed Studies, Western Washington University; Assistants: Assistants: Wayne Carmichael, Wright State University emeritus; Theo Dreher, Oregon State University

Hands-on microscopic identification of bloom-forming freshwater cyanobacteria using an interactive key. Discussion can cover cyanobacterial toxicology, ecology and genomics, according to participant interests and as time allows.
